RESPECT LIFE CORNER

Perseverance is the Key – The brutal statistic of around 57 million children being denied the right to life in the over 40 years since abortion was legalized in the U.S. is not only overwhelming, but there is the temptation to despair and wonder whether the struggle is winnable. **Learn, Act, Connect, Pray:** The answer is a resounding “yes” providing we are prepared to make some sacrifice, commit ourselves and persevere. Young adults and high school students are increasingly more pro-life than ever before. Pray for all who do not embrace the rights of the unborn that they come to know and treasure the value of every person.
