Most Holy Trinity

Some truths, like the very existence of God, can be known by human reason alone. Other truths, like the fact that God in One in Three Person – Father, Son, and Holy Spirit – can only be known if God reveals them to us. We could never conclude on our own that God is a Trinity. Today's Feast is not only an

opportunity for thanking God for telling us more about himself. It is an occasion to take courage as we strive for deeper unity within the human family. God reveals himself to us in order to make us more like himself – not just as individuals, but as families, nations, and an international community. We grow in unity as we give ourselves away to one another, just as the Father, Son, and Holy Spirit give themselves to each other completely.
